

$\Phi$  Efficiency ratio for reconstructing probe as a charge particle (eff(data)/eff(mc))

$\Theta$  Efficiency ratio for reconstructing probe as a charge particle (eff(data)/eff(mc))

$\Theta$   $\Phi$  Efficiency ratio for reconstructing probe as a charge particle (eff(data)/eff(mc))

$\Theta$   $\Phi$  Efficiency ratio error for reconstructing probe as a charge particle (eff(data)/eff(mc))
