

① efficiency of reconstructing an electron 0 GeV to 1 GeV

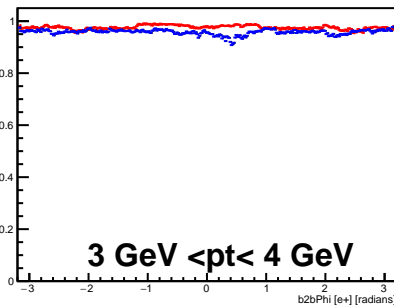

Φ efficiency of reconstructing an electron 1 GeV to 2 GeV

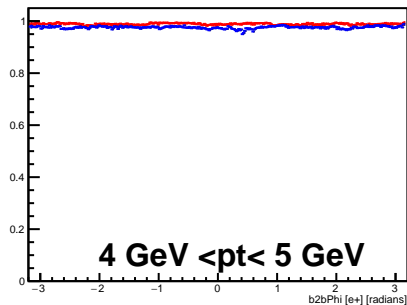

⊕ efficiency of reconstructing an electron 2 GeV to 3 GeV

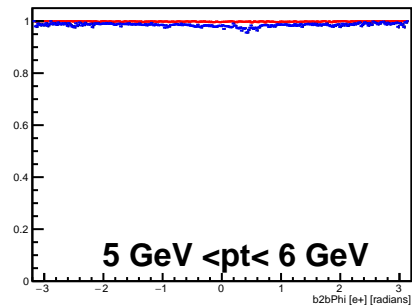

Φ efficiency of reconstructing an electron 3 GeV to 4 GeV

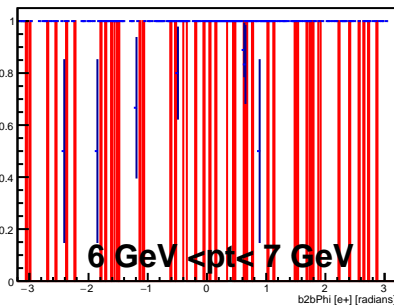

① efficiency of reconstructing an electron 4 GeV to 5 GeV

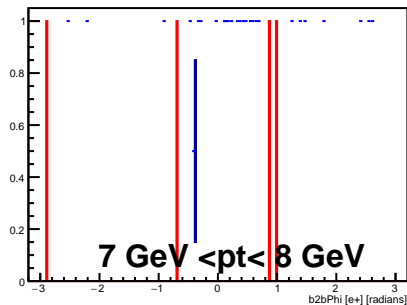

Φ efficiency of reconstructing an electron 5 GeV to 6 GeV

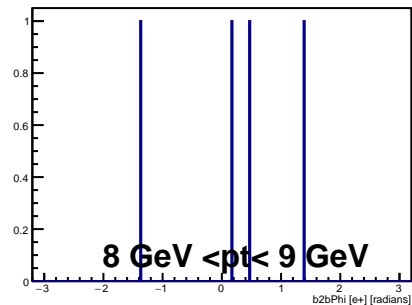

Ⓢ efficiency of reconstructing an electron 6 GeV to 7 GeV

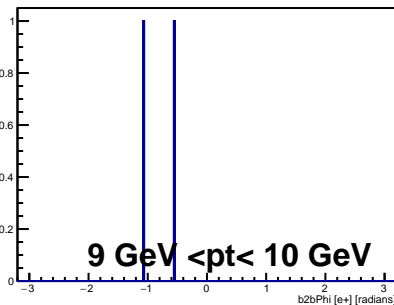

Φ efficiency of reconstructing an electron 7 GeV to 8 GeV

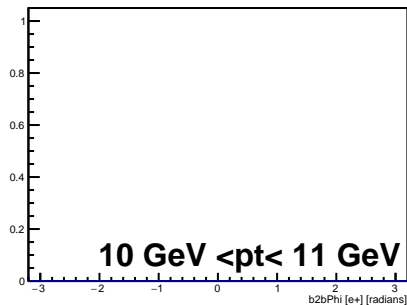

Φ efficiency of reconstructing an electron 8 GeV to 9 GeV

Φ efficiency of reconstructing an electron 9 GeV to 10 GeV

Φ efficiency of reconstructing an electron 10 GeV to 11 GeV

Φ efficiency of reconstructing an electron 11 GeV to 12 GeV
